

DECISIVE VICTORY FOR GODDARD TEAM WITH MONTPELIER

Pigskin Chasers of Local School
Scored Twice Against Old
Rival, Who Was Saved
Further Humiliation by Call
of Time.

Contest Was Hard Fought
Throughout But Goddard's
Goal Was No Time in Dan-
ger--Whole Goddard Team
Played Well.

In a smashing game of foot ball Goddard seminary whipped her old rival, Montpelier seminary, 11 to 0, on the latter's gridiron yesterday afternoon. It being the first of the annual contests between the two schools. There was the usual large crowd present, fully as many from this city as from Montpelier, and neither team lacked support from the side lines. The game was sorely fought out from start to finish by both teams, although the Goddard boys were clearly the superior team.

Montpelier's coach, Hamilton, played the star game for his team, making good gains through Goddard's tackles but was blocked at center. Darling also played a fine game for the home team.

Goddard secured a touchdown in each half by Milne who, with Cannell, Dunham and Turner, did superior playing for Goddard. Goddard played much the faster game and had better team work. Montpelier was held several times for downs during the game and allowed Goddard to gain easily through her line.

The Barre team had the ball at the kick off and gained steadily down the field for the first touchdown in about 10 minutes of play, and would have made another score in this half but for a bad fumble by Milne on Montpelier's 15 yard line. Davis got the ball and ran for 25 yards, carrying the ball nearly to the center of the field where he was downed by McDonald.

The first touchdown.

The game started with a kick off by Montpelier to Cannell who received it near the goal posts and advanced it 25 yards. Milne went through right guard for four yards and Cannell made three yards at center. Dunham failed to gain and Milne made 10 yards through right tackle.

Dunham made a 10 yard around right and Goddard was given 10 yards more by Montpelier's being caught holding. Milne and Dunham gained steadily by end and tackle rushes for 80 yards and Berry added 15 more on a quarter back run. Dunham went through right tackle for 10 yards and Cannell made 20 through center dropping the pigskin only 3 feet from the goal line but it was recovered for Goddard.

Dunham failed to gain through right guard, but Milne played through the center and made the first score. Milne kicked goal. Score, 6 to 0.

Montpelier Held For Downs.

Goddard kicked off to Willey who got it on the 15 yard line and gained 15 yards. Hamilton tackled him. Turner fell on it and saved it for Goddard. Milne and Dunham each made 5 yards carrying the ball to the 15 yard line and Goddard lost an almost sure chance to score by Milne's fumble. Davis picked up the ball and ran nearly to the center of the field before he was stopped.

Goddard Lost Sure Score.

Milne failed to gain and Berry made 10 yards but dropped the ball when Hamilton tackled him. Turner fell on it and saved it for Goddard. Milne and Dunham each made 5 yards carrying the ball to the 15 yard line and Goddard lost an almost sure chance to score by Milne's fumble. Davis picked up the ball and ran nearly to the center of the field before he was stopped.

Montpelier Forced To Punt.

Hamilton made 10 yards through right tackle followed by 5 yards more in the same place and was then sent at the center but failed to gain. Darling started around left end but was downed behind the line by Turner. Hamilton fumbled and Davis fell on it for a few yards loss. Davis tried to go around right end but was downed by Phillips for a loss of 10 yards. Hamilton then punted 30 yards to Goddard's 25 yard line. Berry got the ball. Dunham made 10 yards followed by 10 each by Milne and Berry just as the time was called, the ball being on the 40 yard line. Score 6 to 0.

Second Half.

Goddard kicked off to Hayes who advanced it to the 30 yard line.

Montpelier Again Held.

Darling made 4 yards. Hamilton made 4 and 5 yard gains and Melver made 4 yards. Darling made 5 through left tackle and Goddard was penalized 5 more for holding. Darling made 3 yards. Hamilton and Darling both failed to gain and

the ball went to Goddard on the centre line.

The Second Touchdown.

Milne made 7 yards around 1 ft. and Berry on the backs failing to take the ball, made a good run for 10 yards gain. Milne made 5 yards and Phillips went around right end for 30 yards to the 25 yard line. Milne made 5 through right tackle. Dunham made 10 and Milne carried the ball through centre to the last line. Dunham made 3 yards through left guard and Milne on the second center rush went over the line for the second touchdown. Milne failed to kick goal. Score 11 to 0.

Montpelier Could Not Keep Ball.

Goddard kicked to Davis who was downed on the 25 yard line. Melver made 5 yards and Goddard was again penalized for holding. Darling made a run of 25 yards around left end. Melver lost a yard and Scott made five. Hamilton fumbled and the ball was forfeited to Goddard on downs on M. S. 40 yard line.

End of Game Saved M. S.

Dunham made 10 yards. Berry added 7 and Dunham 15 more. McDonald made 7 yards when the game was called, which saved another touchdown for Montpelier, the ball being on the 15 yard line.

The line-up of the two teams was as follows:

M. S.	G. S.
Bathelder	c.
Jones	r. g.
Huellington	r. g.
Haynes	r. t.
Scott	r. t.
Willey	r. e.
Davis	r. e.
Molver	r. e.
Darling	r. e.
Hamilton	r. e.
Drennan	r. e.
Referee: Captain Porter of N. U. Empire, T. G. Carwell, Barre. Timekeepers: E. A. Hamilton and Arthur Camp. Linesmen: Wales and Whitney. Halves 25 and 20 minutes.	

Notes of the Game.

The two coaches, at full back, added much to the strength of the teams. Montpelier would not have had a ghost of a chance without Hamilton.

There was no blood spilled among the spectators during the game but there were one or two rushes by the crowd in a good-natured sort of a way.

The Goddard bell tolled right joyously for about half an hour last evening.

Goddard has not been scored on in four games and has piled up a total of 93 points.

Local rooters are looking forward to the game with Montpelier in this city November 2.

A reception was given the foot ball team at Goddard last evening in the chapel in celebration of the victory over Montpelier seminary on the gridiron yesterday afternoon.

STRUCK BY TRAIN.

D. Harris Holt of West Rutland Was Instantly Killed.

Rutland, Oct. 20.—The funeral of D. Harris Holt of West Rutland, who was struck by a train and instantly killed, was held this afternoon, Hiram Lodge of Masons having charge.

The accident happened at the "Thrall crossing." Mr. Holt, who had been painting a house near Pleasant street, was returning home on foot when the accident occurred. The engineer saw him approaching the track and blew the whistle repeatedly. Evidently Mr. Holt, who was quite deaf, did not hear, or see the approaching train, but stepped directly in front of the engine. The engineer reversed his engine and the train came to a standstill within its length. Mr. Holt when picked up was about 30 feet from the spot where he was struck and was badly cut and bruised. Death was instantaneous. He was taken to his home in C. H. Campbell's ambulance.

Mr. Holt was 74 years of age and had been a resident of West Rutland over 40 years.

FOR REINSTATEMENT.

Efforts Being Made For ex-Marshall F. A. Field.

Burlington, Oct. 20.—Congressman D. J. Foster left yesterday noon for Washington, where he will join the other members of the Vermont delegation in Congress for the purpose of urging the reinstatement of Fred A. Field as United States marshal. A telegram received from Senator Proctor late Saturday evening indicated that a hearing would be granted today. Mr. Field left for Washington Sunday night and a strong effort will be made in his behalf.

CONFERENCE OF MUSIC.

Its Place in Vermont Schools to be Discussed at St. Johnsbury.

St. Johnsbury, Oct. 19.—A conference of school music will be held in this village on October 30 in connection with the meeting of the Vermont State Teachers' association. A programme has been arranged by J. H. Humphrey of Burlington. Mrs. Minnie Allen of Barre and Miss Nell A. Royce of Proctor are associated with him on the committee. A general discussion of the subject will be had.

Was 34 Years in One Household.

Burlington, Oct. 19.—Mrs. Mary B. Connor, for 34 years a member of the household of Col. LeGrand B. Cannon, died this morning in her 84th year, after a short illness. She was born in Bethlehem, Penn., and is survived by a sister of Birdsboro where the funeral will be.

MAJORITY'S DECISION

In Alaskan Boundary
Dispute.

WAS ANNOUNCED TODAY

America Gets All With Exception of
Portland Canal and Islands of
Wales and Pearce.

London, Oct. 20.—The official decision of the Alaskan boundary commission was announced this afternoon. According to it Canada gets the Portland Canal and the islands of Wales and Pearce. America secures the remainder of the disputed territory.

The new line of demarcation as decided upon by the majority of the tribunal is as follows:

They have selected the line of peaks starting at the head of the Portland Canal and running along the high mountains on the edge of the mountains, shown on map of survey made in 1893; from these mountains, the line extends to Mont Whipple, then along what is known as Hunters of 1875 Crossing, Stoking River, whence twenty-five miles from its mouth, thence northerly along the high peaks to Katis Needle, and from Katis Needle to Devil's Thumb.

The Tribunal stated the marks are not sufficient evidence to identify the mountains which correspond to these intended by the treaty. This statement contemplates a further survey of that portion by the two governments. Such a survey would not interfere in the least with the award.

The line of demarcation gives the United States a complete land barrier between Canada and the sea from Mount Zenas to the peak of the Portland Canal. The United States also gets the islands of Sitkan and Kananaghut, which command the entrance to Portland Canal and the ocean passage to Port Simpson, thus practically destroying the strategic value of the two islands awarded to Canada.

DROWNED IN LAKE BOMOSEEN.

William Anderson of Rutland Lost His Life.

Rutland, Oct. 19.—The body of William Anderson who was drowned Saturday in Lake Bomoseen, while in a boat with Axel Holmquist, has not been found. A large number of searchers were at work today.

The two went to Hydeville, where they hired a boat and rowed to Coffee's picnic house, a distance of about four miles. When the men were ready to return the lake was very rough, being covered with whitecaps. They had rowed back past Nesbobe Island, about one quarter of the return trip, when Holmquist, who was rowing, became tired and Anderson started to relieve him. He stood up in the boat to change seats, when he lost his balance and fell overboard. When he fell the boat turned on one side and the water poured into the boat, half filling it. During the mix-up one or two were lost overboard and floated away. The roughness of the water and the loss of the oar so handicapped Holmquist that he was unable to reach Anderson before he sank the third time.

A number of men were working on the shore near by at the time and, attracted by the cries, had started in a boat to the rescue. Anderson sank the last time when they were within about 50 yards of him.

Anderson was 25 years of age and was unmarried.

THE SLANDER SUIT.

Several Witnesses Put on By the Defense.

Rutland, Oct. 20.—In the suit against P. W. Clement for slander two witnesses told their story of the White River Junction shooting affray, yesterday. William St. John and Fred Huber, Dr. E. E. Barrows of Hartford was also on the stand. Charles H. Harvey of St. Albans, William E. Conway, Henry Bean and August W. Hannon of Bellows Falls all had heard Clement speak. Their testimony was not important.

TO ISSUE NEW LICENSES.

Prospects That Brattleboro Drouth May Be Broken.

Brattleboro, Oct. 19.—The board of license commissioners voted Saturday night to issue new licenses to take the place of those recently revoked, provided applications are received. The new licenses will continue for the unexpired term the old ones were to run and the charge will be pro rata.

TO ENLARGE SCALE WORKS.

Howe Seale Co. Purchase Six Acres of Land at Rutland.

Rutland, Oct. 19.—Officials of the Howe Seale Co. announced today that they had purchased six acres of land adjoining the present holding of 19 acres on the south for the purpose of enlarging the plant in the near future for the growing business of the firm.

Slight Fire in Montpelier.

Montpelier, Oct. 20.—The fire department was called to a fire in the Washburn house on Elm street last evening but the blaze was easily extinguished.

FOR CUBAN RECIPROCITY

Roosevelt Calls Extra
Session of Congress.

WILL MEET NOVEMBER 9

Commercial Relations Between Cuba
and the United States Will
Be Considered.

Washington, Oct. 20.—President Roosevelt issued a proclamation today calling for an extra session of Congress November 9. The session is called for the purpose of considering reciprocal commercial relations between the United States and the Republic of Cuba, signed at Havana, December 11, 1902, and which the proclamation says is important to the public interests of the United States that should become operative as soon as may be.

CRESCUS TROTTED

MILE IN 1.59 3-4

Broke World's Trotting Record By
Quarter of Second on Wichita
Race Track.

Wichita, Kan., Oct. 19.—Crescens broke the world's trotting record for a mile, this afternoon, going the distance in 1.59 1-4, beating the previous record held by Lou Dillon and Major Delmar by a quarter of a second.

There was a cheer when he reached the half in 59 3-4, and when the three-quarters was passed in 1.30 the cheer became an uproar. Just before he reached the wire Crescens broke, and it is believed, lost fully three-quarters of a second. He caught handsly and flashed under the wire in 1.59 3-4.

No wind shield was used.

BEAN HELD FOR GRAND JURY.

Alleged Murderer of Ephraim Root in
Woodstock Jail.

Rochester, Oct. 19.—Joe Bean is now in Woodstock jail awaiting the action of the Windsor county grand jury, on the charge of murdering Ephraim Root at the Green saw mill in Rochester last Monday night. At the hearing some sensational testimony was brought out.

It was testified that burrs similar to those found on Green's barn had been found in Bean's bed.

"Bunny" Martell swore that Bean had offered him \$50 to kill Root, but his credibility as a witness was impeached by several prominent business men, who swore that he had a big reputation for untruthfulness.

Bean testified in his own behalf and accused Deputy Sheriff Tinkham of putting the burrs in the bed himself. He said there were burrs on his pants but he got them on him around Hubbard's barn.

The Hubbards, who live four and one half miles from Green's and at whose home Bean boarded, say that Bean drove in there about 4 o'clock in the afternoon before the murder. He spread a blanket on the hay and said he was going to lie down. The Hubbards testified that he was around the barn about 6 o'clock and came in for the night at 7.35 o'clock.

BACKED INTO THE LAKE.

Fred Lemerise Drowned Yesterday at Shelburne Farms.

Shelburne, Oct. 20.—Fred Lemerise, son of Mr. and Mrs. John Lemerise, was drowned yesterday while at work at Shelburne Farms. He was driving a double team and while backing to the dock for coal accidentally went too far and the wagon and horse went into the lake, carrying him with them. Two other teamsters were on the dock but they were powerless to aid Lemerise and he, together with the horses, was drowned.

The water is about 15 feet deep at that point and the body was soon recovered and taken to his home in Shelburne. Lemerise is a young man and unmarried. His father is gardener for Dr. Webb. The funeral arrangements have not yet been made.

COYLE-HOUGHTON.

Granville People Married This Forenoon.

Granville, Oct. 20.—Miss Mary Ellen Houghton, daughter of Mr. and Mrs. Thos. Houghton, was united in marriage to Frank H. Coyle at 8 o'clock this morning in St. Sylvester's church, Rev. Thomas Donahue of St. Albans performing the ceremony.

It was a very pretty wedding. Miss Sabina Houghton, a sister of the bride, was bridesmaid and Hugh McDougall acted as best man. Both are popular young people of this place and have many friends who wish them many years of happiness.

A reception will be given them this evening by their friends. They will reside here.

Card of Thanks.

We wish to extend our heartfelt thanks to the friends and neighbors who so kindly aided us during the sickness and death of our daughter Grace. Also for the floral offerings of which there were many.

Mr. and Mrs. D. Pratt and family.

SUDDEN SUMMONS FOR MRS. W. P. BUGBEE

Had Shock Yesterday Forenoon at 11
O'clock and Died Four Hours
Later.

Mrs. W. P. Bugbee died shortly after 3 o'clock yesterday afternoon at her home on Richardson street from the effects of a paralytic shock with which she was stricken only four hours before, while she was at her work. Mrs. Bugbee was in her usual good health in the morning and had just finished her washing when she went down stairs into the basement about 11 o'clock to get some vegetables for dinner.

She suffered the shock just as she reached the foot of the stairs on her return. She was alone in the house at the time but she lay in the collar only a few minutes before her husband came in to the house for dinner. Mrs. Bugbee was able to call to him and he at once got help and carried her to her room.

Dr. C. F. Camp was called, and at first it was thought that she would recover. She was conscious until about 1 o'clock when she went into a stupor and very quietly passed away a few minutes after 3 o'clock.

Mrs. Bugbee's maiden name was Lavina A. Nelson. She was born in Orange 30 years ago. Mr. and Mrs. Bugbee have lived in this city 11 years, moving here from Orange. She leaves besides her husband, one son, Clinton J., the well known contractor of this city, and two sisters, Emily Holbrook of South Barre and Lizzie Wood of Massachusetts.

The funeral will be held from the house at 2 o'clock tomorrow afternoon, Rev. J. A. Sherburne officiating. Burial in Elmwood cemetery.

DEATH OF M. COVENEY.

Former Resident of Lyndonville Died Yesterday.

Michael Coveny, aged 50, died at five o'clock yesterday morning at his home on Cliff street of heart trouble. Mr. and Mrs. Coveny came here from Lyndonville where he was employed as a blacksmith. He leaves besides his wife, one brother, Edward, of Manchester, and a sister, Mrs. Helen Burke of Minneapolis.

Funeral services will be held from St. Monica's church Wednesday morning at 6 o'clock and the body will be taken on the 7.30 train to St. Johnsbury for burial.

W. W. HUSBAND TO MARRY.

Senator Dillingham's New Secretary Will Take Bride to Washington.

Montpelier, Oct. 19.—W. Walter Husband of the Montpelier Journal is again receiving the sincere congratulations of his friends on his approaching marriage to Miss Agnes M. Bullard of St. Johnsbury, which will occur Tuesday evening, November 17, at the home of Miss Bullard. Mr. Husband will take his bride to Washington with him when he goes about Thanksgiving time to enter upon his duties as private secretary to Senator W. P. Dillingham.

KANE WAS RELEASED.

Grand Jury Found No Bill Against Him.

Montpelier, Oct. 20.—William Kane of Waterbury, was released from jail this forenoon, the grand jury having reported no bill against him for larceny. No more criminal cases will be held in county court until after November 17, when the Croto case will come up.

JAPAN'S INFLUENCE.

Dr. David S. Spencer Says If She Is Saved the Orient Is Saved.

Spending the other day at Philadelphia before the eastern missionary convention of the Methodist Episcopal church on mission work in Japan, Dr. David S. Spencer said:

"In saving Japan you save the orient. Japan is already in practical control of Korea. She owns strategic railroads, telegraphs, banks, large commercial interests. Japan is sending hundreds of her picked men into China. They are organizing her army, are advisers to her government, are police organizers and teachers, are putting her schools into shape, are heads of business enterprises, are drafting her new code of civil law, are managing her imperial university. Little Japan leading old China! Why, 2,000 Chinese students are in the schools of Tokyo, and among them are the sons of Chinese nobles, and of these students more than 100 are Chinese girls. Over 100 Chinese military officers are in Japanese barracks getting their training for war. And if these Chinese students and these Japanese can be Christianized what does this mean to the orient? Remember the trumpet call of Bishop Moore. 'As Japan goes so goes the orient.'

"I would help Japan save China. I would help her build a wall so high and strong that the Russian bear could neither scale it nor crawl through it, for he is known unto you that wherever that bear places his paw there is an end to Protestant missions and ultimately to American commerce."

Short Lived Egyptians.

Le Blant has found on forty-two mummies exact indications of the age at which the individual died. So far as this allows any inference, it indicates that two-thirds of the ancient Egyptians died before they reached the age of forty.

Tuberculous Animals.

FIRE SCARE ON MAIN ST.

Rear of Miles' Brick
Block Damaged.

GASOLINE STOVE CAUSE

Four Streams of Water Soon Had the
Blaze Under Control—Loss
Not Large.

The rear of the three story brick block on North Main street, owned by D. M. Miles, was damaged by fire this forenoon, and for a time the property owners in close proximity were somewhat apprehensive of a disastrous fire. The loss, however, was small and is covered by insurance, carried in the J. W. Dillon Agency.

The fire started on the piazza on the second story, supposedly from a gasoline stove which is used by Moore & Owens in their tailoring department. Just how the fire caught is not known as the stove was encased in an asbestos-lined box. The employees in the tailor shop saw the flames first and spread the alarm. An attempt was made to extinguish the fire with a stream from a small hose.

Falling in that, James F. Higgins ran to box 21 on Depot Square and rang in the alarm at about 11 o'clock. All the companies responded and the new hook and ladder truck was also brought out. Two lines of hose were strung in the rear of the block across the river and then two in front on Main street. When the connection was made with the hydrant across the river, several firemen had to work some time before they could turn on the stream, as the hydrant had apparently not been opened recently.

This fact allowed the fire to get a strong headway but when the two streams were turned on the fire was easily extinguished, although the firemen had to work much at a disadvantage on account of the river. Finally this disadvantage was overcome by taking the hose into the bed of the stream, the water being low. By this means and with the aid of the two streams from the front side the fire was soon out, and then came a deluge of water which always follows. The goods in the rear of Moore & Owens store were moved to the front of the store, and stacks of clothing covered with rubber coats, so that they sustained no damage in the store, although they lost some articles in their tailor shop.

Sawden & Lyon in the other store on the ground floor did not receive any damage while the offices and club room and armory of Company E were not damaged beyond a wetting. The total loss will probably not exceed \$300.

The firemen took out the new hook and ladder for the first time, and a sixty-foot ladder was run up to the top of the block, after a delay, which was caused by their unfamiliarity with the new piece of apparatus. The ladder was not needed but the handling of it gave the firemen excellent practice. The "all out" was sounded less than an hour after the alarm.

FAREWELL RECEPTION.

At Universalist Vestry Last Evening, in Honor of Mrs. Healey and Mrs. Snow.

The reception at the Universalist parlors last evening in honor of Mrs. Maria L. Healey and Mrs. T. L. Snow, who leave soon for their new home in Litchfield, Conn., was well attended, and the occasion was a very pleasant one. Mrs. Healey was unable to be present on account of illness.

The guests were met at the door by Master Natie Benedict and Mrs. S. D. Allen and Miss Carrie Wheelock presented them to the receiving committee which was made up of the following ladies, Rev. E. K. M. Jones, Mrs. C. N. Benedict, Mrs. J. W. McDonald, Mrs. A. D. Whitcomb, Mrs. F. T. Cutler and Mrs. Snow.

A dainty little lunch, consisting of wafers and cocoa was served by Mrs. A. W. Allen and Mrs. A. A. Sargent, the members of the choir, Mrs. Martin, Mrs. Britton, Messrs Strong and Sheriffs acting as waiters.

After the refreshments Mrs. Snow was presented a beautiful silver pudding dish by Rev. K. M. Jones, after which a short programme was rendered. The guests departed at 10 o'clock, extending their well-wishes to Mrs. Snow.

AN OLD-FASHIONED PARTY.

Including Concert and Dances at Miles' Hall Tuesday Evening, Oct. 27.

The greatest event of the season will be the old-fashioned concert and cotillion party given by the ladies' degree team of the New England Order of Protection in Armory hall, Tuesday evening, Oct. 27, at 8 o'clock. Wilder's orchestra of nine pieces in costume will render a selected programme of music of "ye olden days." The costumes are to be of olden style so far as convenient, but the up-to-date maiden and youth need not stay at home for fear of being out of place, as all, both old and young, will be made welcome in whatever costume they wish to appear.

Quaint and original decorations will be used, which will be a source of wonder and pleasure to all. This is an old-fashioned party and dance where both young and old can enjoy a pleasant evening. It is proposed to make this one of the most jovial occasions of the season, and it is hoped that those who danced in days gone by will avail themselves of this grand opportunity. Everybody is welcome.
